

Air National Guard F-15EX Eagle II & F-35A Lightning II Operational Beddowns Environmental Impact Statement

COMMENT FORM

Thank you for providing your comments on the proposed beddowns of F-15EX and F-35A aircraft at potential alternative locations for the Air National Guard. The scoping period for the Environmental Impact Statement (EIS) began with publication of the "Notice of Intent" in the Federal Register on July 19, 2022, and ended on September 2, 2022. Although comments were due by September 2 to be considered in development of the Draft EIS, comments received after September 2 will still be reviewed and considered throughout the process. Comments may be mailed or emailed to the addresses below. You may also submit comments via the project website at www.ANGF15EX-F35A-EIS.com.
